

SWPOA Board of Directors Candidates – October 2020

Roy Davis:

Roy has been a full-time resident of Sportsman's World since 1983. His term as Vice-President of the Sportsman's World Property Owners' Association (SWPOA) is expiring this year. Roy is the Operator for the Municipal Utility District (MUD) and President of Bluff Creek Construction, Inc. He built and then operated Bluff Creek Marina's sales and service department for 18 years.

Roy serves as Fire Chief of the Hell's Gate Volunteer Fire Department (VFD) and was instrumental in building the Fire Hall by organizing volunteer labor and raising donations to fund the effort. He helped host the Smoke on the Water cook-offs for eight years. Roy has overseen a number of volunteer projects in Sportsman's World and is very active with events to raise money for the new fire truck and fire protection services.

Roy has agreed to volunteer his time for another term on the SWPOA Board and place his name on the ballot in October.
