

SWPOA Board of Directors Candidates – October 2023

Leroy Law

I am running for the open board position for Sportsman World Property Owners Association.

Personally, my family and I have been coming to Possum Kingdom Lake since the early 90's and it soon became our favorite lake. We first bought a condo in 2018 and in March of 2020 we bought our forever home on Hell's Gate Drive.

My wife Jana of 35 years, two daughters, two son-in-laws and three grandchildren are dedicated to Sportsman World.

My platform is to bring transparency of the board's operations and get complete clarity of current rules and regulations to protect the property owners for their investments/interests and delivering a sustainable neighborhood for years to come.

I have a long history of leadership starting in 1986 as a Marine, then followed by a 20-year career with a large corporation where I was part of the executive leadership team. That experience led me to starting my own business in 2009 that has thrived ever since. In business, I have integrity, honesty, dedication and a hands-on approach.

If you want to get to know me more, please do not hesitate in reaching out to me at (432) 352-4315 or leroy@llit.us.

I look forward to your support on October 21st.
